PROFESSIONAL SUMMARY

A Computer Science student with a strong foundation in programming, software development, and database management, with experience in application prototyping and UI/UX design. Seeking an internship opportunity to apply technical skills, gain hands-on industry experience, and contribute to organizational goals while continuing to grow professionally.

EDUCATION

Bachelor of Science in Computer Science

STI Pasay-EDSA College

Aug 2023 - Present

- Relevant Courses: Data Structures and Algorithms, Computer Programming, Software Engineering

Accountancy, Business and Management

Baybay City Senior High School

June 2019 - May 2021

PROJECTS

Harvest Fruit (Mini-Game)

2025

- Built and trained a console-based fruit harvesting simulation as an academic project requirement for Computer System Architecture.
- Simulate fruit harvesting, showcasing reinforcement learning and GPU-supported model training with the used Google Colab.

Text-to-Image Generation Systems (Thesis Project)

2023 - 2024

- Managed a documentation of a Python-based AI system that generates images from text using a diffusion model that gradually refines random noise into a final image.
- Implemented deep learning components including text encoding, image generation, and denoising process.

TECHNICAL SKILLS

Programming Languages Java, C, C++, C#, Python

Web Technologies HTML5, CSS3

Database Management MySQL

Tools/Frameworks Visual Studio, Android Studio, .NET MAUI, Microsoft Power Apps, Figma, Microsoft Office, Canva

Other Skills Prototyping, UI/UX design, Front-end development

PROFESSIONAL SKILLS

- Strong critical thinking skills to analyze problems and develop effective software solutions
- Ability to work effectively in both independent and team-based development environments
- Familiarity with debugging and troubleshooting software issues
- Commitment to continuous learning and adapting to new technologies and tools
- Effective time management and task prioritization to meet deadlines efficiently

ELIGIBILITIES AND CERTIFICATIONS

Civil Service Eligible - Professional

August 2025

- Passed the Civil Service Examination – Professional Level, demonstrating competency in verbal, numerical, analytical, and general abilities.
